

# R&D Cash Advances

Investing in research and development (R&D) can be a great benefit to your company, but the time taken to receive your claim from HMRC may cause unexpected cash-flow struggles.

## If you are claiming over £100,000 in R&D tax credits, we offer an excellent solution!

Through our select panel of lenders with adjustable terms catered to your unique requirements, we provide short term financing that will bridge the gap between investment and reimbursement.

### THE PROCESS

- ✓ VISIATIV will review your situation and needs
- ✓ We'll match you with the most appropriate lender
- ✓ We'll introduce you to the lender
- ✓ The lender will undertake due diligence and make an offer directly to you
- ✓ You accept the offer and sign documents
- ✓ The lender transfers funds directly to you

### COSTS

#### Lenders will charge

- A set-up or arrangement fee on completion of the loan agreement
- Monthly interest charge against the outstanding balance

#### About VISIATIV

Visiativ is a professional services and consulting business, dedicated to helping UK companies accelerate and fund their innovation and digital adoption strategies. We enable innovation for our clients through a combination of funding, technology and digital adoption products and services, empowering employees and transforming businesses.
